PANTS FOR BABY ENRIQUE

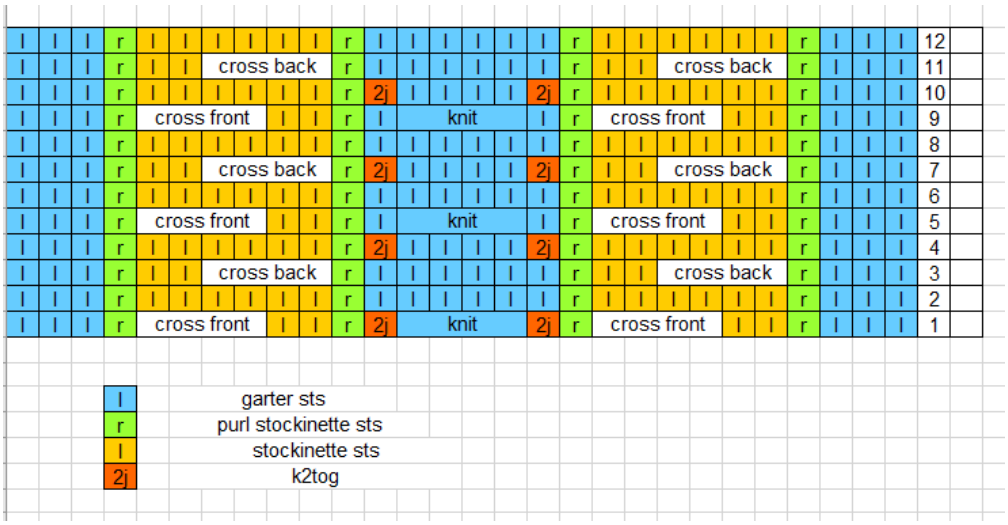
Baby Merino wool, 170 m.-50 gr and 2,5 mm y 3 mm needles

-Cast on 96 sts - 2,5 mm and we do rib 2/2 for 2 cm,

-Mark the center of the work and do short rows knitting elastic rib un the center, we pass the marker and knit 6 sts more, turn and knit (rib) 12, turn and knit 18, turn and knit 24, turn and knit 30, turn and knit 36, turn and knit 42, turn and knit 48, turn and knit 54, turn and knit 60, and from there

-We knitting to the end until have 5 cm measured from the begining of the work, change to 3 mm needles and we make oun row in garter sts and decrease 14 sts for new born and 10 sts for 2-3 months, we turn and knit .

- Now, we make this 12 rows:



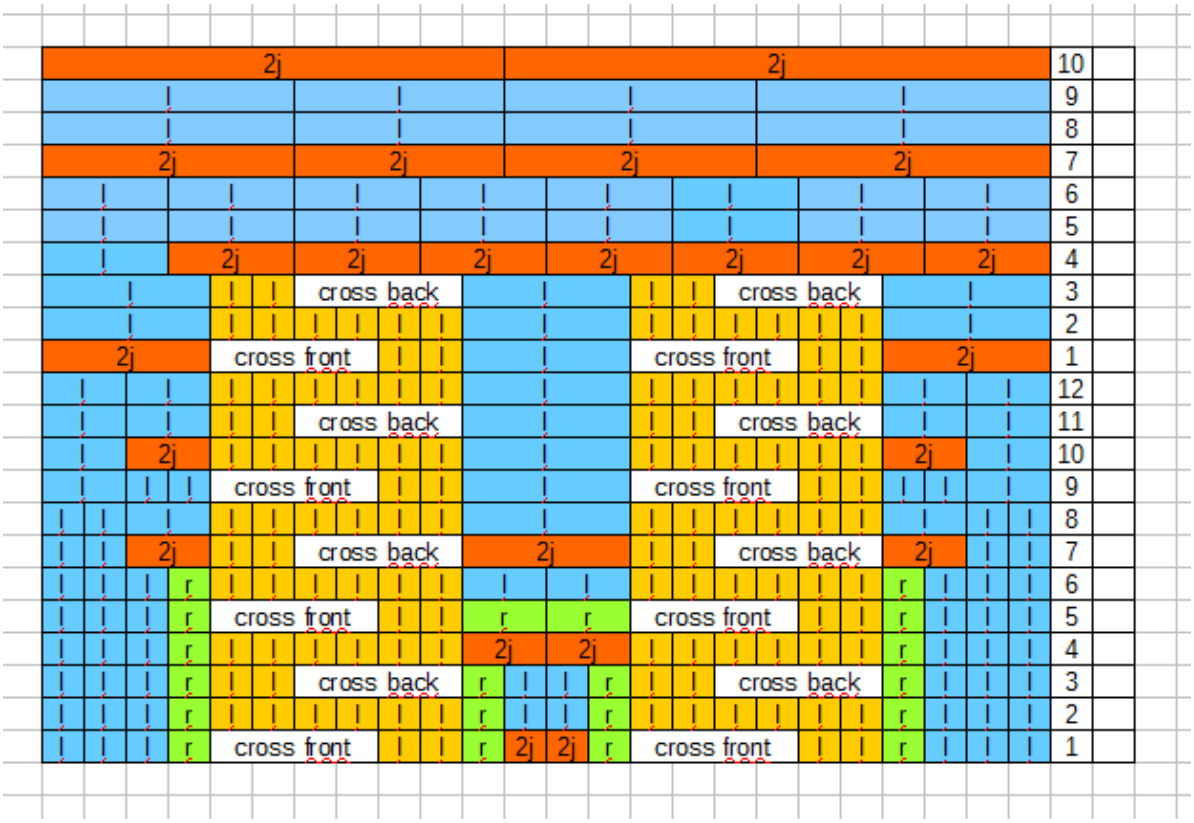
1º- right side : k3 - p1 - k2, place 2 stitches on cable needle in front of piece, knit 2, knit 2 from cable needle, - p1 - k2tog- knit.....at the end when there are 13 sts we make : k2tog- put marker- p1- k2- place 2 stitches on cable needle in front of piece, knit 2, knit 2 from cable needle- p1- k3

2º- all knit and purl 6 sts of the cable

3º- k3 - p 1 - place 2 stitches on cable needle in back of piece, knit 2, knit 2 from cable needle. -k2 - p1 - …….at the end, after the marker we make : p1 - place 2 stitches on cable needle in back of piece, knit 2, knit 2 from cable needle. -k2 - p1- k3

4º- all knit and purl 6 sts of the cable and we make k2tog after and before the markers

Repeat these 4 rows (in the chart are 12 rows by decreases, that are repeated every 12) and decreases where indicated in the chart, until there are 4 stitches between cables and we started the row 1 of these chart.



We pass thread throught the two stitches that are, and we sew rib and after the center until there are 6-8 cm of aperture (see that you need for baby).
