

LACE BABY ROMPER

Even down is the same to Jersey Guille.

Made with 2 and 2,5 mm needles, cotton 170 m. in 50 gr. We can do it with fine wool in the same stitches and long sleeve for winter.

Cast on 77 sts on 2 mm needles and make rib 2/2 for 1,5 cm.

Change to needles 2,5 mm

1ª- k1- k2tog – yo (eyelet)- k11 - kfb- put marker- kfb- k9- kfb- put marker- kfb – k23 - kfb- put marker- kfb – k9- kfb- put marker- kfb – k14

2ª k4 – purl...- k4

3ª k9- k2tog- yo (1ª chart row), continue until marker and we make kfb-p.marker-kfb (back)- k5 - k2tog- yo- continue until marker and we make kfb-p.marker-kfb (sleeve)- k8 - k2tog- yo- k8 - k2tog- yo, and continue until marker and we make kfb-p. marker-kfb (front)- k5- k2tog- yo- continue until marker and we make kfb-p.marker-kfb (sleeve)- k5- k2tog- yo- continue to the end

4ª. - k4- purl.....- k4

Remember the button hole, we have 9 ridges in the 10ª make other.

We keep doing these rows follow the chart to have 6 complete drawings, what are they 19 increases, for more size more drawings with the increases in each right row.

In the next right row knitting up to the marker doing the draw (row 1), no increase, we put the sleeve stitches in auxiliary needle, cast on 5 sts. And we continue with the front (include draw chart) and we do the same with the other sleeve and we continue to the end and we knit until 1 complete drawing.

When we start the next drawing, after the 1ª and before first armholes we increase in that piece 6 stitches making 6 kfb evenly distributed, we will make another drawing in the 5 sts. Under the sleeve, doing k1-k2tog-yo- and continue. After the next sleeve increase 6 sts before the last drawing

making 6 kfb evenly distributed and the end of this row bind of the last 4 sts.

And we keep knitting in round all stitches, now we would knit row 3 of the chart.

We make 30 or 33 cm counted from the neck, for 1 or 3-4 months

Now we point with markers the 26 central stitches of the front to and back, knit up to the marker and with 2 mm needles we make a rib 2/2 for 1,5 or 2 cm for the leg up to the next

Once done, knit the 26 center sts. up to the next marker, and we make the other leg in the same way.

Make a rib 2/2 on the front and back 26 central stitches, picking up sts from the side of the leg ribs, and make 4 eyelets evenly distributed.

We take back the stitches of the sleeves, cast on 2 sts. on each side, we make a complete drawing. Change to 2 mm needles and make rib 2/2 for 1,5 cm.
