

NORDIC PANTS

Baby Merino 175 m. in 50 gr. 2,5 y 3 mm. needles

Cast-on on 2,5 mm. circle needles 120 sts for 0-3 months and 8 sts more for more size (6/9- 12/18- 2 years- 3/4- 5/6).

We divide the sts and the beginning of the work, it will be the center of the back.

We knitting all for 2-3 cm (to 1- 1,5 cm we bind-of 2 sts in any on the middle of the needle, and in the next row we cast on these sts, this is for introduce elastic rubber then), we continue until completing the rest ; and 1 row purl and 2-3 cm knit more.

WE CHANGE TO 3 MM NEEDLES

Knit 2 rows and in the 3º make short rows:

knit 5 (7 in pants over 144 sts), turn and purl 10(14) (trought of the begining of the work, we put a marker), turn and knit 18 (24), turn and purl 26(34), turn and knit 34 (44), turn and purl 44 (54), turn and knit 52(64) turn and purl 60 (74) we turn and go to the begining of the work. Continue knitting in circular until have 10 cm (2 cm more for each size) measured from the purl row of the waist in the front of the pants.

Now we put the half of sts in one needle and the other half in the oter and we knitting in each needle: 1º- k1 - yoand at the end ..yo-k1 2º- knit and the yarn over we knit for back 3º- knit, repeat 1-3 4 times in total. We have 136 sts (8 more for each size) and we knitting to have 14 cm(16-18-19-20-22), measured from the purl row of the waist in the front of the pants.

We knitting the first 68 sts (half of the stitches that we have if is another size). The others 68 we put in aux. thread, and we knitting the first in circular. We start for inside of the leg, and knitting 1 cm (2 cm for the size 6-9 months) then the drawing with decreases and once finished, change

the needles of 2,5 cm. We do 4 rows in stockinette sts- 1 row purl and 4 rows in stockinette sts and bind of with 3 mm needle. Do the other leg in the same way. We sew the waist and the legs bending for the purl row, we introduce the elastic rubber in the waist and closet the hole with 2 sts better with other color if we need change the rubber.
